HONOR A VETERAN WITH A STEPSTONE

Let Their Names Endure

We believe that every veteran deserves a tangible way of being publicly recognized for his or her service. Our StepStone Campaign offers all who served or who are currently serving a special place of remembrance

A StepStone is a 4 inch x 8 inch brick paver engraved with the veteran's name, rank and branch of service. The honored veteran can be from any service time, any state and any branch; they may be deceased or living; or, currently serving. Also, you may honor a military unit or a military-affiliated organization.

For a tax-deductible \$100 donation you can purchase a StepStone anytime during the year. StepStone Dedication Ceremonies are held on the Sunday before Memorial Day and the Sunday before Veterans Day. At that time you will be able to view your veteran's StepStone permanently installed under the American Flag at the Alabama Veterans Memorial Park.

To order a StepStone fill out the information on the form below and mail it along with your check to the address below:
